

## 2020 PGA Junior League | Information & Details

### OVERVIEW

PGA Junior League is a developmental golf league with an emphasis on team, skill-building and gaining independence, experience, and awareness on the golf course. PGA Junior League will involve on-course, and on-range learning, and competitive games (2-person scramble format).

Golfer Ability – as a developmental league, skills vary. Our recommendation for participation is if your child can drive, chip or putt and walk 9 holes while pushing or carrying their own bag, we have a place for them in PGA Junior League.

### NEW FOR 2020

Fossil Trace Golf Club PGA Junior League will consist of 4 teams in the same league. Otherwise known as an “in-house” league, for the first time each of the 4 teams will play each other twice, once on the Front 9 and once on the awesome Back 9 at Fossil Trace for a total of 6 games. We will also have 2 travel scrimmages to local junior-friendly golf courses.

Another positive aspect to an in-house league, the game and practice schedule is available to Junior League families months earlier than if participating in a multi-course Junior League.

Rosters will be set by the coaches based on player registrations.

Matches require a minimum of 8 players (4 teams of 2). 17U requires a minimum of 6 players.

In the event that a team does not have the minimum of 8 players, a player from another Fossil Trace may be asked to substitute.

### MEETING AREAS AND ARRIVAL

On game days, range balls are provided for warmup. It is the expectation that your child be at the course no later than 30 minutes prior to the scheduled start time. This will allow them time to familiarize with the surroundings, hit range balls, putt, etc. A primary source of communication and information will come from the SportsEngine app, please download when you have a moment. From the app, you can message the coaches, RSVP for games and practices, and much more.
