

## 2020 PGA Junior League | UPDATED INFORMATION

### OVERVIEW

PGA Junior League is a developmental golf league with an emphasis on team, skill-building and gaining independence, experience, and awareness on the golf course. PGA Junior League will involve on-course, and on-range learning, and competitive games (2-person scramble format).

Golfer Ability – as a developmental league, skills vary. Our recommendation for participation is if your child can drive, chip or putt and walk 9 holes while pushing or carrying their own bag, we have a place for them in PGA Junior League.

### GAMES and PRACTICES

Fossil Trace Golf Club PGA Junior League will consist of 4 teams in the same league. Otherwise known as an “in-house” league. Each of the 4 teams will play each other twice, once each on the Front and Back 9s.

### ROSTERS

We make every effort to accommodate requests for friends and family to be on the same team. For 2020, we have 4 PGA Junior League Teams in the 13U division and a 17U team. Rosters will be set by the coaches based on player registrations.

### MEETING AREAS AND ARRIVAL

A primary source of communication and information will come from the SportsEngine app, please download when you have a moment. From the app, you can message the coaches, RSVP for games and practices, and much more. On game days, range balls are provided for warmup. It is the expectation that your child be at the course no later than 30 minutes prior to the scheduled start time. This will allow them time to familiarize with the surroundings, hit range balls, putt, etc.
