## PGA JUNIOR LEAGUE OVERVIEW

PGA Junior League is a developmental golf league with an emphasis on team, skill-building and gaining independence, experience, and awareness on the golf course. PGA Junior League will involve on-course, and on-range learning, as well as competitive games (scramble format).

As a developmental league, skills vary. Our recommendation for participation is if your child can drive, chip or putt AND walk 9 holes while pushing their own bag, we have a place for them in Junior League!

### **\*\*NEW FOR 2021\*\***

**We are building a community of junior golfers!** In lieu of rostering the kids to specific PGA Junior League teams within our league, we recognized the need to keep pairings, and players flexible from game to game based on age, tee time schedule, and ability level. That allows us the opportunity to keep games competitive and fun, create MORE new friendships and foster existing ones, all within similar age and ability levels. Kids may play with a partner one week, and compete against them the next.

Kids will compete, **ORANGE** vs. **BLUE**, win flags and enjoy a treat after every game! We make every effort to accommodate requests for friends and family to be in the same foursome pairing.

## GAMES and PRACTICES

Games and practices are listed below. Practices are 90 minutes in length.

For the weeks of practice kids have 2 practice times to choose from (you can only choose 1), Sunday afternoon or Monday after school.

## 2021 FALL LEAGUE SCHEDULE (subject to change)

### **Nik Tyson, PGA Associate**

Fossil Trace Golf Professional | Operation 36 Coach

### **Bill McLean**

Fossil Trace Golf Staff Veteran | School Administrator & Golf Coach @ Columbine HS

## MEETING AREAS AND ARRIVALS

All COVID-19 related procedures will be shared to families via email or the SportsEngine app. These regulations will be provided to our coaches by local health agencies and are subject to change.

On game days, range balls are provided for warmup. It is the expectation that your child be at the course no later than 30 minutes prior to the scheduled start time. This will allow them time to familiarize with the surroundings, hit range balls, putt, etc. A primary source of communication will come from the SportsEngine app, please download when you have a moment. From the app, you can message the coaches, RSVP for games and practices, and much more.

For more information, please visit [pgajuniorleague.com](http://pgajuniorleague.com) or contact Adam Finch, PGA.
