

PGA JUNIOR LEAGUE OVERVIEW | SUMMER 2022

PGA Junior League is a developmental golf league with an emphasis on team, skill-building and gaining independence, experience, and awareness on the golf course. PGA Junior League will involve on-course, and on-range learning, as well as competitive games (scramble format).

As a developmental, but not a beginner league, skills vary. Our recommendation for participation is if your child can drive, chip or putt AND walk 9 holes while pushing their own bag, we have a place for them in Junior League!

2022 and BEYOND

We are building a community of junior golfers! In lieu of rostering the kids to specific PGA Junior League teams within our league, we try to keep pairings, and players flexible from game to game based on age, tee time schedule, and ability level. That allows us the opportunity to keep games competitive and fun, create MORE new friendships and foster existing ones. Kids may play with a partner one week, and compete against them the next.

Kids will compete, win flags and enjoy a treat after every game! We make every effort to accommodate requests for friends and family to be in the same foursome pairing.

GAMES and PRACTICES

Games are scheduled on Monday afternoons; 3 games on the Front 9 and 3 on the awesome Back 9 at Fossil Trace for a total of 6 league games. Tee times are scheduled from 3:30pm to 6:00pm.

Practices are scheduled on Sunday afternoons (2:30pm) and Wednesday afternoons (4:00 and 5:30). Your Junior Leaguer may attend only one of the scheduled practice sessions each week practice is scheduled - 4 practices total.

A new mobile app is coming soon from the PGA that should allow similar functionality like messaging, game and practice RSVPs, etc.

PGA Junior League Jerseys (also known as the team kits). Every player who joins a PGA Jr. League team also joins the #GameChanger Club. Rather than paying a PGA fee for each seasonal registration (Summer and Fall at Fossil Trace) a once-annual fee of \$99 includes your new team kit gear to use throughout the year, plus exclusive discounts from PGA of America partners through PerkSpot. The coach fee will be paid separately with a link that comes directly from PGA Junior League Coach, Adam Finch.

PLAYER BENEFITS

PGAJL Team Kits, 6 league games, 1 practice game, 4 practices, plus:

Kids who play in PGA Junior League will receive a Fossil Trace range pass redeemable from May 18th – August 14th. Good for 1 large bucket per day.

On game days, range balls are provided for warmup. It is the expectation that your child be at the course no later than 30 minutes prior to the scheduled start time. This will allow them time to familiarize with the surroundings, hit range balls, putt, etc.
