

Learn to Play Golf the Fun Way!

OPERATION 36® GOLF

Adult Academy | Age 18+

Fossil Trace Golf School uses the Operation 36® program for skill development, centered around playing golf. **The goal is to shoot par (36) or better for 9 holes.**

How it Works

1 | Learn Skills in Fun Classes

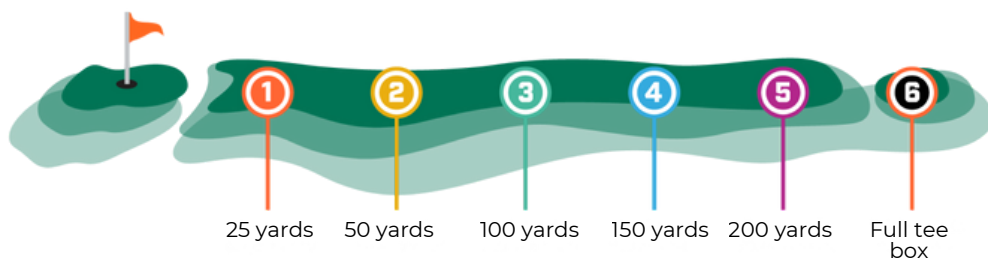

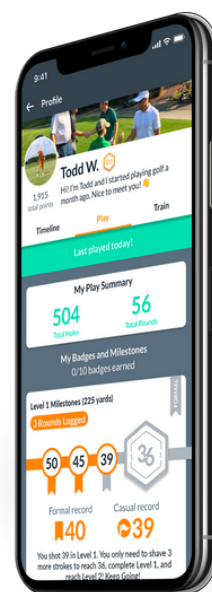

Learn the game in a weekly group class where our coaches will progress students through the Operation 36® curriculum.

2 | Play 9 Holes

Instead of starting at the full tee box, all golfers begin in Level 1 at 25 yards from each green. When they shoot par (36) or better, they progress farther back with each level.

3 | Train & Track Progress

The Op36 Mobile App guides your practice and play outside of classes. Pick up where you left off each semester you return!
