

# Learn to Play Golf the Fun Way!

## OPERATION 36® GOLF

### Junior Academy | Age 7 - 17

Fossil Trace Golf School uses the Operation 36® program for junior development, centered around playing golf. **The goal is to shoot par (36) or better for 9 holes.**

### How it Works

#### 1 | Learn Skills in Fun Classes

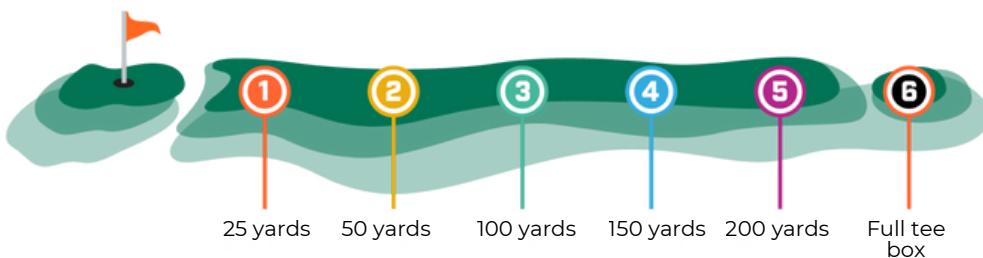

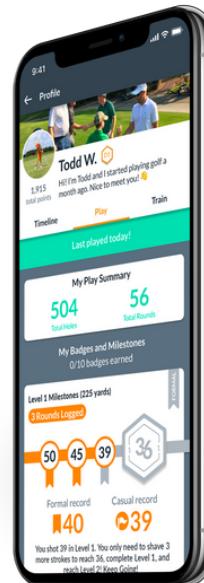

We make learning the game feel like a game! Your junior will make friends and learn skills in fun engaging classes.

#### 2 | Play 9 Holes

Instead of starting at the full tee box, all golfers begin in Level 1 at 25 yards from each green. When they shoot par (36) or better, they progress farther back with each level.

#### 3 | Train & Track Progress

The Op36 Mobile App guides your junior's practice and play outside of classes. Pick up where you left off each semester you return!
